

Hyperopia-

Hyperopia is a condition when rays of light entering the eye, do not focus on the retina. Many young people will overcome this defect by using an extra supply of nerve force in order to see, and sometimes can see better than a person with normal eyes, but at the same time they have all sorts of trouble, such as headache, sick stomach, indigestion, constipation, piles, female disorders, ALMOST ALL NERVOUS AFFECTIONS.

Some people will ask, how can Hyperopia Eyes cause all this trouble? Ask any Ophthalmologist and learn the reason why. There is only ONE remedy for Hyperopia.

FRIDAY FACTS.

About 20 of the friends of Miss Esther Mason gave her a Thanksgiving surprise party last evening at her home in Hayes' addition. The time was very enjoyably spent by all participants.

The Brotherhood of Railway Trainmen will give their 10th annual ball in Marquardt's hall on Christmas night. As usual with the balls of this society, it is anticipated that this will be one of the most enjoyable events of the season.

The boys foot ball teams, captained by Harold Morrison and Horace Sisson, met on the field on Norfolk avenue, between Tenth and Eleventh streets, yesterday afternoon and engaged in a close and interesting contest for supremacy. The

Morrison team won the game by a score of 13 to 10.

Mr. and Mrs. Geo. D. Butterfield entertained a few friends at euchre last evening. Mrs. Sol Mayer won the prize for the ladies and Mr. J. S. Butterfield captured the gentleman's prize. Later in the evening the guests enjoyed an elegant supper.

The Queen City hose company gave a very successful Thanksgiving ball in the Marquardt hall last night. There was a large attendance and the amusement was continued during most of the night. The hall was in fine condition, the company congenial and the evening was heartily enjoyed.

A dancing party will be given this evening in Marquardt hall. This is the first of a series of dancing parties to be given every Friday night by Prof. Chambers. The floor of the hall was placed in fine condition by the firemen's ball last evening and an enjoyable evening is in store for those who will attend. Prof. Chambers has an excellent reputation as managing good dances and the lateness at which invitations were issued was no fault of his.

Thanksgiving was quite generally observed yesterday, the majority of business men closing during a portion of the day and enjoying a few hours of rest and recreation with family and friends. The day was exceedingly pleasant and many were out of doors to enjoy the salubrious climate. Services were held in the Congregational, Episcopal, Lutheran and Catholic churches during the forenoon and in the afternoon almost a Sunday quiet pervaded the city. Many dinner parties were held and in the evening the chief public attraction was the firemen's ball.

Dr. C. Homer Newell of Lynch, Boyd county, and Miss Bessie T. Cooley were united in marriage Wednesday afternoon at 2 o'clock, at the home of the bride's parents of this city, by Dr. F. M. Sisson, presiding elder of the Norfolk district. They left on the evening train for their future home at Lynch. The groom is a rising young physician and popular with his acquaintances. The bride has a large circle of friends in Norfolk, having made this city her home for a number of years. Friends of Mr. and Mrs. Newell will unite with The News in extending congratulations.

There was a spelling contest held Wednesday afternoon between the Fourth and Fifth grades of the Lincoln school building. They began spelling at 2 o'clock and at 5 Emma Bruuggeman in the Fourth, and ten pupils in the Fifth were still standing. Emma having been ill the day before, and the hour being late, was declared champion of the Fourth grade. To the ten remaining pupils, a list of twenty words, taken from beyond their limit, were given and in these the following were tie: Maud Ellis, Florence Vail, Lillie Marquardt, Hattie Adams and Margaret Anderson. To these five another list was given to be written and Florence Vail was declared winner. To each of the two winners, W. B. Vail, the jeweler, presented a handsome gold ring as a reward for their efforts.

Ernest Wichman of Stanton county and Miss Emma Moldenhauer of this city were united in marriage yesterday afternoon at 3 o'clock in St. Paul Lutheran church by the pastor, Rev. Philip Hoelzel. The church was decorated with flowers and potted plants, and a large number of relatives and friends were present to witness the ceremony. The groomsmen were Paul Wichman, a brother of the groom and Ervin Wichman, a cousin. The bridesmaids were Hattie Moldenhauer, a sister of the bride, and Miss Nettie Newell. After the ceremony the guests repaired to the home of the bride's parents, Mr. and Mrs. W. A. Moldenhauer, on East Main street where a fine wedding supper was served and the event properly celebrated. The couple received many fine and useful presents. They will make their home in Stanton county, northeast of the city, on the groom's farm. The parties to the union are both well known in Norfolk and have many friends among their acquaintances. The bride was born and raised here and the groom has for many years been a resident of the vicinity.

George Sprecher, father of P. F. and G. T. Sprecher of this city, died yesterday afternoon at his home in Schuyler of the grip. The former went down today to attend the funeral, G. T. Sprecher having gone yesterday. Mr. Sprecher was 93 years, 1 month and 6 days of age at the time of his death and was probably the oldest man, oldest Mason and oldest G. A. R. man in Nebraska. He was born at Columbia, Pa., in 1808 and was one of the early settlers of Ohio, going to that state in 1832 where he took up a quarter section of government land and carved a fertile farm out of the woods. He came to Nebraska in 1871 and settled in Colfax county, where he took up a homestead, and has since made that county his home. He has been a member of the Masonic order since 1835, served in the army for three years during the civil war, joining the Thirty-fourth Ohio regiment and afterward serving with the Thirty-sixth. His wife died two years ago in June. Seven sons, three daughters and a number of grand children survive him. Up to the time of his death Mr. Sprecher preserved his nat-

ural faculties to a remarkable degree, was seldom sick and was usually able to move about. He had frequently visited his sons in Norfolk and was known to many of the people here. He was highly esteemed by his family and it was no doubt in large part due to the care they gave him that he attained to the remarkable age at which he died.

MADISON.

J. Jensen is now plastering the M. E. parsonage and the other work is being pushed.

Geo. Baneroff and family have moved into their new house on the Malone block.

Thanksgiving day exercises were held in the various school rooms Wednesday afternoon.

The Schavland-Johnson Co. had a very tastily decorated window this week, appropriate to the festival holiday.

C. S. Eddy's new house is enclosed and when completed will be a great improvement to the northeast part of town.

Arnold Heilman received word Tuesday of the serious illness of his brother John, with diphtheria, at his home in Lincoln.

John Jefferson and Aug. Peterson, living just south of town, have each sold their farms and are looking for new locations.

Men and teams are engaged in excavating for the foundation of Congress man Robinson's new house, on the vacant lot just south of the John Douglass residence. Only the foundation will be put in this fall.

Geo. Richardson, wife and daughter, drove to the home of Mrs. Richardson's parents in Pierce county Sunday. Mr. Richardson returned Monday morning and went up Thursday morning in time to eat turkey at noon.

Judge Bates reports marriages very slow since election, he having issued but one license until recently. The late ones were to John A. Johnson and Lena M. Anderson of Newman Grove. They were married by the Judge Saturday last. Ernest W. Wichman of Stanton county and Emma A. Moldenhauer, daughter of W. A. Moldenhauer of Norfolk, and C. Homer Newell of Lynch, Boyd county, and Bessie T. Cooley of Norfolk.

LOST—A gold breastpin. Finder will leave at this office and receive reward.

Our Winter Stock

is now complete. Call and compare qualities with city stores anywhere.

J. & E. DURLAND

Mr. J. B. Finney wanted to buy a piano, and after considering the claims of the different makes made a trip to Omaha and investigated the many—so-called bargains—came away dissatisfied. On his way home stopped off at Norfolk, Nov. 8, called at Johnson's Furniture store and inside of five minutes after he knew Mr. Johnson's price had placed an order for one of his famous Chickering's. The piano was shipped from Boston on the 12th, was placed in Mr. Finney's residence at Ainsworth Monday morning. Mr. Johnson spent yesterday in O'Neill, Atkinson and Long Pine, closing sales for two more, and has another in transit to Randolph, sold to a customer who went through the same experience as Mr. Finney. He has sold over 100 of these beautiful instruments to parties who never saw the instrument they bought until the day it was delivered, who paid for them in cash—"not notes or installments"—in from 3 to 6 hours after the instruments were placed, and who have never made, or had any cause for complaint. It's a record without parallel and speaks "volumes" in behalf of the Chickering's, "proves that it pays to buy the best," as well as fully sustaining Mr. Johnson's reputation of handling "the best goods that money will buy" at prices you cannot duplicate elsewhere.

We are selling a line of Cook Stoves and Cast ranges known as the Novelty. They are made by an old eastern firm that has been in business since 1847. They are close to the iron and the coal mines and can make a better stove for less money than the western factories, and our customers get the benefit of these facts.
